5 UNITED STATES DISTRICT COURT  
6 FOR THE WESTERN DISTRICT OF WASHINGTON  
7 AT SEATTLE

8 ARMACELL LLC

9 Plaintiff,

10 v.

11 BAILEY SALES & ASSOCIATES INC.,

12 Defendant.

CASE NO. C19-0506 RSM

STIPULATED MOTION, STATUS  
REPORT AND ORDER CONTINUING  
DEADLINES AND SETTING SECOND  
STATUS REPORT

13  
14 **STIPULATION**

15 This Court previously continued deadlines in its Order Regarding Initial Disclosures and  
16 Joint Status Report (Dkt. No. 36), so that the parties, Plaintiff Armacell LLC (“Armacell”) and  
17 Defendant Bailey Sales & Associates Inc. (“Bailey Sales”), could conduct settlement negotiations  
18 that the parties believed could relieve the Court and the litigants of the burden of this litigation.  
19 That Order (Dkt. No. 48), required that the parties provide a status report regarding those  
20 negotiations to the Court by June 28, 2019.

21 **Status Report.** Information gathering necessary for substantive negotiations took longer  
22 than the parties expected. Nonetheless, they now have the benefit of needed information and are  
23 engaged in serious good faith settlement discussions that require a short additional period to  
24 complete.

25 To support those discussions, and in order to avoid litigation costs and potentially  
26 unnecessary judicial resources, including briefing and arguing an otherwise active motion to

1 dismiss, the parties agree and respectfully request that case deadlines and pending motion practice  
2 continue to be stayed while settlement discussions continue.

3 **Stipulated Motion.** Therefore, by this stipulated motion, the parties seek to extend the  
4 relief provided in the Court's Order (Dkt. No. 48), for four more weeks with respect to the Order  
5 Regarding Disclosures and Joint Status Report (Dkt. No. 36), so that the deadlines therein remain  
6 postponed until after the settlement discussion period, and thereby avoided. The parties further  
7 agree that Armacell's motion to dismiss (Dkt. No. 46), having been taken off the Court's calendar,  
8 is subject to re-notice in the future if settlement discussions are unsuccessful.

9 To insure this matter remains active on the Court's docket and to avoid undue delay if  
10 settlement discussions are not successful, the parties stipulate and agree to provide a second status  
11 report to the Court by no later than July 26, 2019.
